Casual On-call Vet Nurse

Casual on call mixed practice veterinary nurse position required for Forbes Vet Clinic.

This position would suit a Certificate IV graduate or qualified nurse looking for a diverse caseload in a very supportive environment. We are chasing an enthusiastic and passionate individual to join our team on a casual on call basis. As part of our team you would be required to work one weekend out of six weekends; with the occasional night through the week also. We have a fantastic client base and pride ourselves on a high level of service.

At Forbes Vet Clinic we possess excellent diagnostic and surgical equipment including but not limited to, fixed and portable digital radiology, small animal ultrasound with colour doppler, ultrasound for large animal reproduction, extensive orthopaedic surgical equipment, endoscope and pulse ox to name a few.

Our practice has a varying caseload of 60-70% small animal and 30-40% large animal. We currently employ 4 full-time vets and are presently looking for another; our nursing team is a mix of two years and up to fifteen years on the job experience. We are a fast-paced clinic which also includes receptionist, accounts management and practice manager.

This position is for May/June 2021 start.
